

MaixenStudios

This is MaixenStudios!

We love to make games

and devlogs as well as tutorials and some other stuff.

The Studio was founded around 2020 by Maixen

and since then he has made and cooperated on a variety of games & projects.

This is my [youtube chanel](#),

I am posting tutorials to

create gaming prodjects.

Do you want to play games? here you are at the right place. (go to the game list to chose a game) otherwise you can stay here and learn things about my prodjects.

games :

1. [Beetle Battle](#)
2. [Isoforge](#)
3. [crashing carts](#)
4. [switchscape](#)

projects :

1. project 1
2. project 2
3. project 3
4. project 4

Game List

Do you want to play my games ?

This is the place to do it.

We have plenty of options.

Good luck!

[Beetle Battle](#)

A fun adventure puzzle!

[Isoforge](#)

Build your dream city!

[Craching Carts](#)
